

Back to School with *Classic Alice*

LOS ANGELES, CA (August 27, 2015) - Students across the country are headed back to school, and the characters of *Classic Alice* are no exception! After an eventful summer of internships and self-discovery, Alice (Kate Hackett) and her roommate Cara (Elise Cantu) are headed back to Valetton University for their senior year, while Alice's boyfriend Andrew (Tony Noto) continues his film studies in graduate school. But Alice's project continues, as she makes life decisions according to the actions of characters from classic literature - and documents it all [on YouTube](http://youtube.com/ClassicAliceSeries) (<http://youtube.com/ClassicAliceSeries>) with the help of Andrew and trusty intern Nathan.

But before Alice arrives back at Valetton, she's taking on an appropriately travel-centric classic - Homer's *Odyssey*! This, the tenth work of literature the show will cover, breaks new ground for Alice and her project: it's her first epic poem and first foray into the Greek classics, making it centuries older than Alice's previous selections. Will Alice's journey be as eventful as Odysseus's? What obstacles will she encounter on her way back to Valetton? The first episode of the *Odyssey* arc premieres on Tuesday, September 1st at 9 a.m. PDT on the [Classic Alice YouTube channel](http://youtube.com/ClassicAliceSeries) (<http://youtube.com/ClassicAliceSeries>).

With the new semester come new transmedia opportunities for viewers to engage with Alice's world, including a new Valetton literary magazine (accepting submissions from fans!) and a special back-to-school event at the school store. This semester's transmedia offerings span the

very public to the very private: student newspaper [The Ocelot Call](http://ocelot-call.tumblr.com) (<http://ocelot-call.tumblr.com>) is starting back up, bringing with it all the hot campus news, while fans can continue to read their favorite characters' most intimate thoughts in their [personal diaries](http://classic-alice.com/classic-alice-diary-entries/) (<http://classic-alice.com/classic-alice-diary-entries/>). And as always, Alice and other characters new and old will be sharing their daily lives on Twitter, Tumblr, and other social media platforms, making them truly an integrated part of fans' online worlds.
